

**nameless**

first dynamic coin in sui

# *dynamic from the nature*

nameless is a coin that you can change everything

- ticker
- name
- logo
- description

**advertise yourself, without liquidity, without token**

*create anything*

**ticker:** \$mert

**name:** Mert the helius guy

**description:** mert is the goat fr

*change anytime*

nameless is permissionless, if you don't like the coin just change it ***for a price***

**price to change, doubles up in every coin change**

**10 sui → 20 sui**

# *change cheaper*

coin change price loses value overtime after 24 hour

**coin change price loses 1% value every hour after 24 hour, this is to make sure everyone is able to change the coin, without paying too much**

**20 sui → 19.8 sui**

**floor price is 10 sui**
